NOTES

League Matches - teams will play each other 3 times (4 times for Div 1) this season. Div 2 - if a match is postponed the result, of the same match, in the future (in the first instance) or the past, will be recorded twice. Div 1 - we will try to reschedule the matches to the end of season in place of the Variety matches and then follow the steps above for subsequent postponements

Slight Amendment - due to the number of weeks available to play in Season 2 we have, for some leagues, had to amend the fixtures to start in late Feb, rather than March. This is due to the number of teams in the league and ensuring each team can play the other teams at least twice in the season.

August Friendlies - we have included August friendly matches in the fixtures. We will confirm with teams at the beginning of July as to whether they would like to play the matches or not. These can be Handicap, Versatility, Power Play or Normal matches

Variety Matches - these matches can be played in any format the teams wish. If there are any postponements during the season then these will be played instead of the Variety matches.
